

Contractor Series

LED Door Bell Strobe Light

DBSL-11

This unit automatically flashes when the Door Bell Button is pressed

This unit replaces the DBSL-10

- Unit is available in Economy (6 LED) or Deluxe (32 LED) Models
- The Deluxe model has increased visibility and multiple flash patterns
- This unit is backwards compatible with existing DBSL-10 systems
- Unit can be used with existing Door Bell or as a stand alone device
- Unit can be used for the hearing impaired
- This unit is excellent for noisy environments
- The Strobe operates for 15 seconds after door button is released
- The Strobe Lenses are available in 5 colors: clear, red, blue, green and amber
- The unit is supplied with all components for easy installation
- Each unit serves one door only
- Unit is manufactured on a 3 gang stainless steel mounting plate
